HVAC/R Training & Career Preparation Academy

The academy delivers content in 12 weeks. In that time, participants will attend 12 Wednesday evening lectures and demonstrations, and 4 Saturday hands-on laboratory training at the HVAC Institute in Kent.

This program is intended to create opportunities in the HVAC/R trade for women, veterans, low-income individuals and Black and Brown community members.

PREPARES PARTICIPANTS FOR THESE FIELDS:

- Air Conditioning
- Air Distribution
- Heat Pump (Air to Air)
- Gas Heating (Air)
- Light Commercial Refrigeration
- Building Engineering
- Electrical, both high and low voltage
- Customer Service
- Alternative Heating and Cooling Systems

“The class is great and I believe would be useful to any person seeking an entry level position in the HVAC/R field”

Instructor:
Dave Norman
Dates:
August 17 - November 2 2022
Location:
220 Railroad Ave S,
Kent WA 98032
